

Economic Sustainability Program
(Designed to Retain Businesses & Employees)

**Funded by the Monterey County Workforce Investment Board (WIB) and
Implemented by the Monterey County Business Council (MCBC) in conjunction with
the Small Development Centers at Cabrillo College and CSU Monterey Bay.**

The purpose of the program is to provide a full range of coordinated resources to help sustain businesses and retain ‘at-risk’ jobs in Monterey County.

Businesses will be assessed to determine eligibility and referred to the appropriate resources and agencies for assistance.

Assistance includes the following for employers:

- Private Confidential Consulting
- In-Depth Business & Financial Assessment
- Workshops
- Training
- Access to Capital
- Loan Packaging
- Technology Access and Development
- Networking
- Business to Business Opportunities
- Employee Screening
- State & Local Tax Credits

Assistance includes the following for employees / job seekers:

- Assessment of Skills & Abilities
- Self-Directed Job Search
- Career Guidance
- Resume Building
- Access to Networking Groups
- Job Placement Services
- Referrals

To determine eligibility or get more information on this Program, please call the Monterey County Business Council at 831-883-9443, fax 831-648-0458 or e-mail info@mcbc.biz.

All personal and financial information is kept strictly confidential.
